Annies Pun

Four Women share a birthday and always celebrate it together. Here's how they celebrated:

40th Birthday – They go to the Lakeview Restaurant because the waiters are cute and wear really tight pants

50th Birthday – They go to the Lakeview Restaurant because the prices are reasonable, and it has a good wine list

60th Birthday – They go to the Lakeview Restaurant because it is quiet and has a nice view

70th Birthday – They go to the Lakeview Restaurant because it's handicap accessible

80th Birthday – They go to the Lakeview Restaurant because they have never been there before.

The End

By Ed Bardon

I chance to open my eyes and all is dark
There are people talking around me
But I can't hear what they say
I don't think they know that I am here

Many Thoughts go through my mind
As I lay here in this fancy box
It is surrounded by many beautiful flowers

The room is very quiet
Just the pleasant sound of soft music
I am dressed in my Sunday clothes

People walk on by but do not speak
It is then I begin to realize
Life for me as I once knew, is over
The end is now

Here I am at my own funeral

The Curtains up on Gratitude

By

Miss Carla Page

On August 31st I am celebrating my birthday. I've got my cake, candles, and ice cream ready.

I really miss my father at this time, because no matter what age I would be turning as an adult he would always bring me my cake and ice cream for my birthday. I do miss him showing me appreciation for being daddy's little girl.

The title of this article is the curtains up on gratitude, and I am so grateful for so many, many, many things. One of them is being a member of Singles Outreach Services Inc. and I thank them for all that they do.

So if my father was here with me this year he would say to me. "Daddy's little woman grown up (smile) and I love you madly". I am going to sing to myself on Wednesday August 31, 2022.

Happy Birthday to me

Happy Birthday to me

Happy Birthday Dear Carla

Happy Birthday to me

Looking forward to a spectacular year.

I thank God for waking me up, and getting me up each day.

This article is dedicated to my mother, and my daughter.
